As a new president takes the helm at Peking University (PKU), its liberal arts college is arguably on the firmest footing

China's leading university, Yuanpei College is arguably on the firmest footing as a fully-fledged liberal arts school with more than 100 courses, including those in the

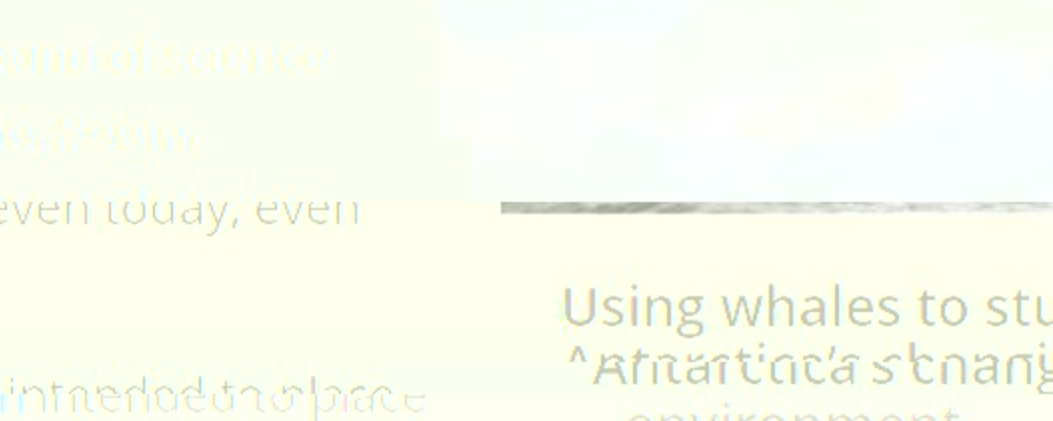

fully-fledged liberal arts school with more than 100 courses, including those in the

st," said Feiyu Sun, its associate dean. The college enters a new era of leadership under Gong Qihuang. Yuanpei will continue to face competition among Chinese graduates higher than ever before.

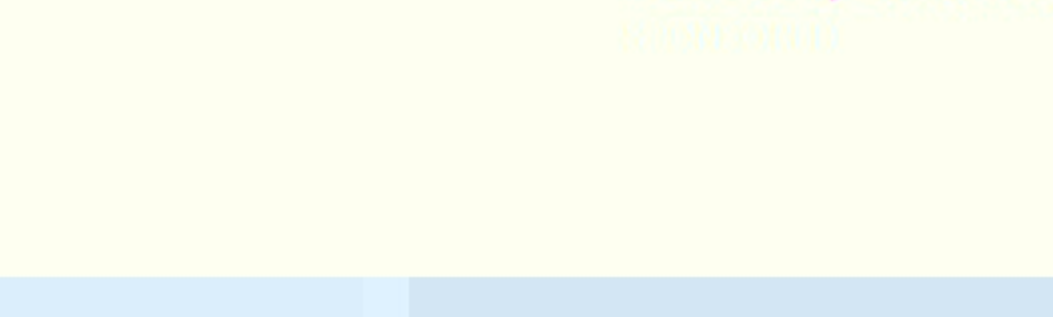

There are no major requirements in the first two years, and students can change majors at any time. It is important, but many do not, even today, even after 20 years," said Professor Sun.

There are no major requirements in the first two years, and students can change majors at any time. It is important, but many do not, even today, even after 20 years," said Professor Sun.
